

# PROMETHEUS NEWSLETTER

WINTER UPDATE

## LCL Pitch Competition

After working hard on our pitch deck the Prometheus team was able to win the Life Changing Labs' Pitch Competition held at Ithaca Cornell. The prize included \$100 for the team.

## New Prototype Update

As mentioned in earlier updates, we have begun physically assembling the hardware components for the Spring Beta testing. We are currently on track to be able to supply a small amount of users with our first models in February 2018.

## Sign Up for Our Spring Beta

Interested in trying out our product in the Spring? Feel free to sign up for our Beta test in February by visiting this link <https://goo.gl/forms/qFx6LHggZLJXI0cL2>
